December 1, 2022, a decision was issued awarding compensation to Petitioner based on the parties' stipulation. *Id.*

Petitioner has now filed a motion for attorney's fees and costs, dated February 21, 2023 (ECF No. 46), requesting a total award of \$37,718.37 (representing \$36,465.70 in fees and \$1,252.67 in costs). In accordance with General Order No. 9, Petitioner filed a signed statement indicating that she incurred no out-of-pocket expenses. ECF No. 46-4. Respondent reacted to the motion on February 22, 2023, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded at the Court's discretion. ECF No. 47. Petitioner did not file a reply thereafter.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$37,718.37** (representing \$36,465.70 in fees and \$1,252.37 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel. In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this decision.<sup>3</sup>

**IT IS SO ORDERED.**
